## Join us...

The purpose of this event is to widen the circle of enthusiasm for Snow kiting, to help new Kilters network and find avenues to progress, to introduce Rice Lake as a riding area, & to share the stoke.

For \$20 a beginner day guest has access to the poker run, all Snow kiting activities and will receive an initial "flight lesson" with a smaller trainer kite. Those with their own equipment can hit the powder on the lake. Day guests also have the use of all the Resort's recreation facilities such as the indoor pool, hot tub/sauna, weight room and outdoor activities such as skating and cross country skiing.

New participants should be aware that this is a wind dependent sport and so we are at the mercy of the weather.
